CITY OF MAUMEE MEDIA RELEASE

October 1, 2014

“Halloween Trick or Treat”

The City of Maumee has changed the annual Halloween “Trick or Treat” to Saturday November 1, 2014 from 6 PM to 8 PM. This change is due to the Maumee vs. Perrysburg High School football game scheduled for Friday October 31, 2014.

Safety of our young community members is the primary concern for changing the date of the event. The Saturday evening Trick or Treat session will avoid the higher traffic flow of youthful motorists attending the football game while younger children are crossing streets during Trick or Treat.

The City of Maumee has received input from various parent groups, school principals and clergy, expressing their concerns for safety.

For more information, contact Mayor Richard H. Carr at Ph. 419-897-7115.
