Maumee High School Alumni Directory Project

Below are some Frequently Asked Questions about a new MHS Alumni Directory Project currently underway. Maumee High School does have a working partnership with a company named PCI for this project that kicked-off January 9, 2015.

QUESTION 1: I received an email/postcard/phone call from a company asking for my personal information. They said they were working on a directory for Maumee High School. Is this a legitimate project, or is it a scam?

ANSWER: Maumee High School has partnered with PCI (also known as Publishing Concepts) to produce our new alumni directory. PCI is a 30 year-old company located in Dallas, TX that publishes directories for educational institutions, fraternities, sororities and military organizations across the nation. This project allows Maumee High School to receive important updates to our database so we know more about our alumni and how we can better serve you and future alumni.

QUESTION 2: How do I know my information will only be used for directory purposes?

ANSWER: Maumee High School has a contractual agreement with PCI that states:
