

Maumee City Schools presents . . .

Growing Up in 2017

A Community Conversation

Wednesday, January 25, 2017

7 - 8:30 p.m. - Performing Arts Center @ Maumee High School

This presentation is for parents and students in 6th – 12th grade.
The purpose is to provide a baseline of information surrounding the topics of: social-emotional needs of teens/pre-teens & resources, drug & alcohol use/abuse, as well as safe and positive uses of online resources – plus some of the potential dangers of online gaming & apps.

Experts will discuss topics in three main areas:

- * Social & Emotional Issues teens and preteens face today
- * Technology Temptations – dangers parents may not even be aware exist
- * Drugs & Alcohol – from street drugs to prescription medication abuse

The format for the evening will be brief presentations on all three topics, followed by breakout sessions so that parents/students may select the two topics they most want to dig deeper into with experts.

Panel Members Include:

Don Adamski – Maumee S.A.I.L. Board and Alcohol & Drug Treatment Counselor
Jason Dugan – Maumee Schools Technology Director and Computer Science Engineer
