

Maumee City Schools Parent Meeting for 2015-16 Kindergartners

When: Tuesday, Feb. 24th @ 6:30 pm

Where: Gateway Middle School Auditorium, 900 Gibbs Street

Any child who resides in the Maumee City School District and will be five-years-old by August 1, 2015 is eligible to attend kindergarten this fall. Unless a child successfully completes a kindergarten program, he/she is not permitted to enter first grade.

Maumee is hosting a kindergarten parent meeting on February 24 at 6:30 p.m. in the Gateway Middle School Auditorium (900 Gibbs Street). This meeting is for parents of children planning to enter kindergarten for the 2015-2016 school year. At this meeting, Maumee staff will discuss kindergarten expectations, what parents can do to help prepare their children for entering kindergarten, and share college and career-ready information. Parents will receive a detailed information packet that outlines the entire kindergarten enrollment / registration / screening process.

In the Maumee City School District, kindergarten students attend either Fairfield Elementary School at 1313 Eastfield Drive or Fort Miami Elementary School at 2501 River Road. If you are unsure which building children in your neighborhood are assigned to attend, this information can be found on the Transportation page of the school district website: www.maumeek.12.oh.us.

Attending this parent meeting means you will be prepared to begin the enrollment process and early enrollment helps ensure your child is able to attend the elementary school closest to your home.
