

BGSU BGSU Academic Enrichment Camps

Our virtual Academic Enrichment Camps are back for 2021 and have been redesigned to meet the needs of students in grades 3 through 8.

Every day for two weeks, students will be engaged in online interactive learning in a variety of content areas. Students can select to enrich their learning in mathematics, reading, science and now social studies. These courses are taught and designed by trained teachers who are experts in their content. During the camps, students will work directly with their camp instructor and same-age peers, enjoying a variety of activities to peak their interest in learning and deepen their knowledge.

Dates

- Session 1: June 14-25, 2021
- Session 2: July 12-23, 2021

Format

- The Academic Enrichment Camps will be conducted virtually
- Access to the internet and a computer is necessary
- All grades have been separated into their own cohort aligning content level and prior knowledge
- Camps will meet virtually with an instructor every day for 60 minutes and will run for two full weeks
- Students will be engaged in conversation, activities and hands-on projects as they learn from their BGSU academic camp instructor and meet their classmates virtually

Camp Crates

- All campers will receive a Base Camp kit with supplies needed for the duration of the program
- Base Camp supplies include: AEC camp T-Shirt, supplies box with writing utensils, BGSU journal, dry erase board and marker, ruler, graph paper and more.
- Depending on which program your camper is signed up for, they will also receive additional supplies such as reading materials, science fair and investigation items, geography and social studies materials or manipulatives needed for making sense of mathematical ideas.
