## Student Focused - Teaching and Learning Information

### No New Instruction Day This Wednesday

This Wednesday, March 25th we will hit the pause button and we will not be providing instruction or assignments on this day. Doing so will allow time for our staff to reflect on their instruction thus far as well as engage in additional collaboration with colleagues as we work to meet the needs of all students. Teachers will then resume providing instruction on March 26th.

### Technology Support

Our district is staffing a help desk for students and staff during the school closure. If you need assistance please contact [helpdesk@maumeeek12.org](mailto:helpdesk@maumeeek12.org). If you do not have a way to email, please call 419-720-3285 and a request for assistance will be created for you.

### Grab & Go Meals

Orders already submitted will be filled this week. If you did not complete a form but have an urgent need for food, call 419-720-3285. **NOTE: There will be a modification made to pickup days this coming week and families will be notified about a modified pick-up schedule for this week when they come to a food site to pick up their meals.** Please watch for the order form for next week in the coming days.
