General Information

All Buildings Are Closed

Our schools, as well as our administration office building, have been closed to comply with the Governor's newest stay at home order.

Our teaching staff, counselors, administrators, and many others are working remotely and checking email regularly. Here is a link to the Maumee City Schools staff email list - [LINK](#).

Student Focused - Teaching and Learning Information

Students on IEPs or 504 Plans

Our special education staff has been making a good-faith effort to provide specialized educational services, instruction, supports and accommodations to students with an IEP or 504 plan during this time of school closure. If you have any concerns with your child's IEP or 504, please contact your child's case manager. If you continue to have concerns, please contact Tricia Samuel, Director of Educational Services, tsamuel@maumee12.org or by calling 419-720-3285.

No New Instruction Day This Wednesday

This Wednesday, March 25th we will hit the pause button and we will not be providing new instruction or assignments on this day. Doing so will allow time for our staff to reflect on their instruction thus far as well as engage in additional collaboration with colleagues as we work to meet the needs of all students. Teachers will then resume checking email, responding to parents and students as well as providing instruction on March 26th.

Technology Support

Our district is staffing a help desk for students and staff during the school closure. If you need assistance please contact helpdesk@maumee12.org. If you do not have a way to email, please call 419-720-3285 and a request for assistance will be created for you.

Remote Learning - Ethical Use of School Technology

As our district works through this difficult time with remote learning taking place, it is helpful to remember guidelines for the ethical use of these resources and proper behavior in the digital world. [LINK TO DOCUMENT](#)

We Want To See Photos of You & Your Family

Images of children lift everyone's spirit! We encourage parents to send photos of your family making the best of this unfortunate situation. Send to nsayre@maumee12.org so that the school district can share them with others in the community via our social media channels.
