New Information

Governor DeWine Closed School

You have undoubtedly heard that Governor DeWine ordered Ohio K-12 schools to remain closed for the rest of this school year. This also has resulted in OHSAA canceling spring athletics.

What does this mean for Maumee?

Remote learning will continue for the remainder of the school year. Please be sure to reach out to your child's teacher if you have any specific questions regarding assignments and work being provided. We had previously canceled all school-related events through May 1, but now are canceling all events through the end of the school year (May 22 is the last official school day). Principals and I will be sending out more specific information related to grading, time for students to gather their items from our schools, collection of technology at the end of the year and final plans for graduation. I also plan to continue to send you email updates on Tuesdays and Fridays so please be sure to review these carefully because we will share important information as plans are finalized and details become available.
