Yes, but only if the *Policyholder*:

1. has defined retirees as an eligible class on his *Application*; and
2. has agreed to pay at least % of the premium for retiree coverage.

00002

When does Your Noncontributory insurance become effective?

Noncontributory means the *Policyholder* pays 100% of the premium for this insurance.

Current Retirees

If *You* are an eligible *Retiree* on the Policy effective date, *Your Noncontributory* coverage under the Policy will become effective on the date indicated in the Schedule of Benefits.

New Retirees

If *You* become an eligible *Retiree* after the Policy effective date, *Your Noncontributory* coverage under the Policy will become effective on the date indicated in the Schedule of Benefits.

If *You* waive all or a portion of *Your Noncontributory* coverage and choose to enroll at a later date, *You* are considered a late applicant and must furnish *Evidence of Insurability* satisfactory to *Us* before coverage can become effective. Coverage will become effective on the date *We* determine that the *Evidence of Insurability* is satisfactory and *We* provide written notice of approval.

00003

Evidence of Insurability means a statement of *Your* medical history which *We* will use to determine if *You* are approved for coverage. *Evidence of Insurability* will be provided at *Your* expense.

TERM LIFE INSURANCE BENEFIT

When is a Life Insurance Benefit payable?

We will pay *Your* beneficiary the amount of life insurance in force as of the date of *Your* death provided:

1. *You* are insured under the Policy on the date of death, and
2. *We* receive proof of death.

When term life insurance coverage becomes a claim by the death of an insured, settlement shall be made upon receipt of due proof of death, or not later than two months after receipt of such proof. *We* will determine the amount of insurance payable based upon the Schedule of Benefits.

00012 OH

Who will receive Your Life Insurance Benefits?

Your beneficiary designation must be made on a form which *We* provide or on a form accepted by *Us*. If two or more beneficiaries are named, payment of proceeds will be apportioned equally unless *You* had specified otherwise. The *Policyholder* may not be named as beneficiary. Unless *You* provide otherwise, if a beneficiary dies before *You*, *We* will divide that beneficiary's share equally between any remaining named beneficiaries.

If a beneficiary is a minor, or is not able to give a valid release for any payment of benefits made, *We* will not make payment until a claim is made by the person or entity which, by court order, has been granted control of the estate of such beneficiary. This provision does not prevent *Us* from making payment to or for the benefit of a minor beneficiary in accordance with the applicable state law.

Facility of Payment

If no named beneficiary survives *You* or if *You* do not name a beneficiary, *We* will pay the amount of insurance:

1. to *Your* spouse, if living; if not,
2. in equal shares to *Your* then living natural or legally adopted children, if any; if none,
3. in equal shares to *Your* father and mother, if living; if not,
4. in equal shares to *Your* brothers and/or sisters, if living; if not,
5. to *Your* estate.

If any benefits under this provision are to be paid to *Your* estate, *We* may pay an amount not greater than \$1,000 to any person *We* consider equitably entitled by reason of having incurred funeral or other expenses incident to *Your* death. Any and all payments made by *Us* shall fully discharge *Us* in the amount of such payment.

00014

May You change Your beneficiary?

You may change *Your* beneficiary at any time by completing a form provided or accepted by *Us*, and sending it to the *Policyholder*. *Your* written request for change of beneficiary will not be effective until it is recorded by the *Policyholder*. After it has been so recorded, it will take effect on the later of the date *You* signed the change request form or the date *You* specifically requested. If *You* die before the change has been recorded, *We* will not alter any payment that *We* have already made. Any prior payment shall fully discharge *Us* from further liability in that amount.

CONVERSION OF LIFE INSURANCE

How much Life Insurance may You convert if eligibility terminates?

You may convert to an individual policy of life insurance if *Your* life insurance, or a portion of it, ceases because:

1. *You* are no longer employed by the *Policyholder*; or
2. *You* are no longer in a class which is eligible for life insurance.

In either of these situations, *You* may convert all or any portion of *Your* life insurance which was in force on the date *Your* life insurance ceased.

How much Life Insurance may You convert if the policy terminates or is amended?

You may also convert to an individual policy of life insurance if *Your* life insurance ceases because:

1. life insurance benefits under the Policy cease; or
2. the Policy is amended making *You* ineligible for life insurance; however, in either of these situations,

You must have been insured under the Policy, or the Policy it replaced, for at least five (5) years. The amount of insurance converted in either of these situations will be the lesser of:

1. the amount of life insurance in force, less any amount for which *You* become eligible under this or any other group policy within 31 days after the date *Your* life insurance ceased; or
2. \$10,000.

How to apply for conversion

We must receive written application and the first premium for the individual life insurance policy within 31 days after life insurance under the Policy ceased. No *Evidence of Insurability* will be required.

The individual policy will be a policy of whole life insurance. It will not contain waiver of premium, accelerated death benefit, disability benefits, accidental death and dismemberment benefits or any other ancillary benefits.

The minimum issue amount of an individual conversion policy is \$2,000. The premium for the individual policy will be based on:

1. *Our* current rates based upon *Your* attained age; and
2. the amount of the individual policy.

If application is made for an individual policy, the coverage under the individual policy will be effective on the day following the 31-day period during which *You* could apply for conversion.

If *You* die during a period when *You* would have been entitled to have an individual policy issued to *You* and if *You* die before such an individual policy became effective, *We* will pay *Your* beneficiary the greatest amount of group term life insurance for which an individual policy could have been issued, provided:

1. *Your* death occurred during the 31-day period within which *You* could have made application; and
2. *We* receive proof of death.

If life insurance benefits are paid under the Policy, payment will not be made under the converted policy, and premiums paid for the converted policy will be refunded.

Notice. If the *Policyholder* fails to notify *You* at least 15 days prior to the date insurance under the Policy would cease, *You* shall have an additional period within which to elect conversion coverage; but nothing herein shall be construed to continue any insurance beyond the period provided for in the Policy. The additional election period shall expire 15 days immediately after the *Policyholder* gives *You* notice, but in no event shall it extend beyond 60 days immediately after the expiration of the 31-day period explained above.

00016 OH

ACCELERATED DEATH BENEFIT

The benefit paid under this provision may be taxable. If so, *You* or *Your* beneficiary may incur a tax obligation. As with all tax matters, *You* or *Your* beneficiary should consult a personal tax advisor to assess the impact of the benefit. Receipt of this benefit may adversely affect *Your* eligibility for Medicaid or other governmental benefits or entitlements.

What is the Accelerated Death Benefit?

The *Accelerated Death Benefit* is a percentage of *Your* group Basic term life insurance which is payable to *You* prior to *Your* death if *We* receive *Proof* that *You* have a *Terminal Condition*. The *Accelerated Death Benefit* is limited to the maximum and minimum amounts shown on the Schedule of Benefits, and is payable only once to any one *Insured*.

The *Accelerated Death Benefit* is calculated on the group Basic term life insurance benefit amount in force under the Policy on the date *You* are diagnosed with a *Terminal Condition*. If *Your* group term life insurance will reduce, due to age, within 12 months after the date *We* receive *Proof*, the *Accelerated Death Benefit* will be calculated on the reduced group Basic term life insurance benefit.

Who is Eligible for an Accelerated Death Benefit?

This benefit only applies to *Insureds* with at least the Minimum Covered Life Insurance Benefit amounts set forth in the Schedule of Benefits. *You* must have been *Actively at Work* on or after the effective date of the Policy to be eligible for an *Accelerated Death Benefit*.

This benefit does not apply to Accidental Death and Dismemberment benefits.

Terminal Condition means *You* have been examined and diagnosed by *Your Doctor* as having a medically determined condition which is expected to result in death within 12 months from the date that a claim for benefit under this provision is received by *Us*. *We* have the sole right to determine if such proof is acceptable.

The Accelerated Death Benefit Payment

We will pay the benefit during *Your* lifetime if *You* are diagnosed with a *Terminal Condition* if *You* or *Your* legal representative submits a claim for an *Accelerated Death Benefit* and provides satisfactory *Proof*. The benefit will be paid in one sum to *You*.

Are there any exceptions to the payment of the Accelerated Death Benefit?

The *Accelerated Death Benefit* will not be payable:

1. for any amount of group term life insurance which is less than the Minimum ADB Payment as set forth in the Schedule of Benefits; or
2. if *Your Terminal Condition* is the result of:
 - a. attempted suicide, while sane or insane, within two years from the effective date of *Your* coverage; or
 - b. intentionally self-inflicted injury, within two years from the effective date of *Your* coverage; or
3. if *Your* group term life insurance benefit has been assigned; or
4. if *Your* group term life insurance benefit is payable to an irrevocable beneficiary, including notification to *Us* that such benefit or a portion of such benefit is to be paid to a former spouse as part of a divorce or separation agreement; or

5. to retirees.

Notice and Proof of Claim

You must elect the *Accelerated Death Benefit* in writing on a form that is acceptable to Us. *You* must furnish *Proof* that *You* have a *Terminal Condition*, including certification by a *Doctor*.

Proof under the Accelerated Death Benefit means evidence satisfactory to Us that *You* have a *Terminal Condition*. We reserve the right to determine, at *Our* sole discretion, if *Proof* is acceptable.

Effect on Insurance

The *Accelerated Death Benefit* is in lieu of the group term life insurance benefit that would have been paid upon *Your* death. When the *Accelerated Death Benefit* is paid:

1. the term life insurance benefit otherwise payable upon *Your* death will be reduced by the amount of the *Accelerated Death Benefit*;
2. the amount of group term life insurance which could otherwise have been converted to an individual contract will be reduced by the amount of the *Accelerated Death Benefit*; and
3. the premium due for group term life insurance will be calculated on the amount of such insurance remaining in force after deducting the *Accelerated Death Benefit*.

00020 OH

TERMINATION PROVISIONS

When does Your coverage under the Policy end?

Your coverage will terminate on the earliest of the following dates. Termination will not affect *Your* claim for a covered *Loss* which occurred while the coverage was in force.

1. the date on which the Policy is terminated;
2. the date *You* stop making any required contribution toward payment of premiums;
3. the effective date of an amendment to the Policy which terminates insurance for the class to which *You* belong; or
4. the date *You*:
 - a. are no longer a member of a class eligible for this insurance,
 - b. request termination of coverage under the Policy,

00052a

GENERAL PROVISIONS

Entire Contract; Changes

The Policy, the Policyholder's Application, the Retiree's Certificate of coverage, and *Your* application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the *Policyholder* and *Us*. No change in the Policy is valid unless approved in writing by one of *Our* officers. No agent has the right to change the Policy or to waive any of its provisions.

Statements on the Application

In the absence of fraud, all statements made in any signed application are considered representations and not warranties (absolute guarantees). No representation by:

1. the Policyholder in applying for the Policy will make it void unless the representation is contained in his signed Application; or
2. any Retiree in applying for insurance under the Policy will be used to reduce or deny a claim unless a copy of the application for insurance, signed by the Retiree, is or has been given to the Retiree.

Legal Actions

Unless otherwise provided by federal law, no legal action of any kind may be filed against *Us*:

1. until 60 days after proof of claim has been given; or
2. more than 3 years after proof of *Loss* must be filed, unless the law in the state where *You* live allows a longer period of time.

Clerical Error

Clerical error or omission by *Us* to the Policyholder will not:

1. Prevent *You* from receiving coverage, if *You* are entitled to coverage under the terms of the Policy; or
2. Cause coverage to begin or coverage to continue for *You* when the coverage would not otherwise be effective.

If the Policyholder gives *Us* information about *You* that is incorrect, *We* will:

1. Use the facts to decide whether *You* have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

Incontestability

The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

Premium Provisions

Premiums are payable in United States dollars on or before their due dates.

Premium charges for increases in insurance amounts becoming effective during a policy month will begin on the next premium due date. Premium charges for insurance terminating during a policy month will cease at the end of the month in which such insurance terminates. This method of charging premium is

for accounting purposes only. It will not extend any insurance coverage beyond the date it would otherwise have terminated.

Misstatement of Age

If *You* have misstated *Your* age, the true age will be used to determine:

1. the effective date or termination date of insurance; and
2. the amount of insurance; and
3. any other rights or benefits.

Premiums will be adjusted to reflect the premiums that would have been paid if the true age had been known.

Conformity with State Statutes and Regulations

If any provision of the Policy conflicts with the statutes and regulations of the state in which the Policy was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

Assignment

You may assign any incident of ownership *You* may possess of the life insurance benefits provided under the Policy to anyone other than the *Policyholder*. We are not responsible for the validity or legal effect of any assignment. Collateral assignments, by whatever name called, are not permitted.

Retention of Discretion

Fort Dearborn Life Insurance Company shall have the exclusive right to interpret the terms of the Certificate, Schedule of Benefits, Riders and Endorsements. The decision about whether to pay any claim, in whole or in part, is within the sole discretion of Fort Dearborn and such decisions shall be final and conclusive.

**NOTICE CONCERNING COVERAGE LIMITATIONS AND
EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is **NOT** provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law; from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. Following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;

- their policy was issued by a medical, health, or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under Sections 401, 403(b) or 457 of the Internal Revenue Code, the limit is \$100,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
