

June 1, 2021

Good afternoon parents,

### **Mask Mandate Is Being Lifted**

As most of you know, Governor DeWine is lifting all current COVID-19 health orders at midnight tonight. Starting tomorrow - June 2 - and for the remainder of the school year as well as this summer, face coverings are optional. This means staff and students do not have to wear a face covering in our schools, but we will be respectful of the choice each person makes as face coverings still provide an additional layer of protection, especially for those who are not yet vaccinated. From the beginning of the pandemic, Maumee City Schools has followed the health orders put forth by our state and county health officials and this modification of making masks optional is a continuation of our practice.

### **Summer Meal Pick-up Program Available Again This Summer**

Maumee City Schools will be offering breakfast and lunch meals for all children ages 1 - 18 again this summer. The program will run June 14 - August 13 and every student is eligible to receive five breakfast meals and five lunch meals every week during this time period. There are no income requirements to participate in the summer meal program.

### **[YOU MUST REGISTER ONLINE TO RECEIVE MEALS](#)**
