Notice of Parents Right-to-Know

RE: Every Student Succeeds Act (Public Law 114-95), Section 1112 (e)(1)(A)

Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following:

- I. Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- II. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived; and
- III. Whether the teacher is teaching in the field of discipline of the certification of the teacher;
- IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

Maumee City Schools is pleased to report that 100% of our faculty members - at all five of our schools - hold the proper state qualifications and licensing for the grade level and subject area in which they provide instruction. No Maumee teachers are teaching under emergency or provisional status.

You may ask for the information by returning this letter to the address or fax number listed to the left. Or email your request to nsayre@maumee.k12.oh.us. Be sure to give the following information with your request:

Child's full name _____
Parent/guardian's full name _____
Address _____
City, state, zip _____
Teacher's name _____

Sincerely,
